When ordering made-to-order or made-to-measure with us, we ask you to take your head measures to make a custom pattern with your measurements.

You will need: a soft tape measure, ribbon, cord or something to tight around your head.

- Keep the measure tape levelled to measure accurately whereve you want the hat to fit, don't pull it too tight.
- Always re-measure to double check or triple check.

- Mesurer le tour de tête
- Be sure to consider not only the hat style and where you will place it, but also the amount of hair and hairstyle.
- Measure the head size horizontally above the eyebrows, around the largest part of the head.
- Do not wrap measuring tape around the head too tightly or the hat will not have a comfortable fit.
- Leave a “pinkies’s” worth of ease. Hat’s fit should be light and comfortable, not burdensome.

* Adult women’s sizes average 22 1/2 to 23 inches (57 to 58,5 cm).
